DSLR PORTRAIT

PROMPT:

Turn my photo into a professional DSLR portrait. Keep my face, head shape, eyes, nose, lips, skin tone, age, hairstyle, beard and defining features unchanged. Do not de-age, do not reshape my face, no plastic skin. Place me in [LOCATION]. Realistic lighting, natural skin texture, shallow depth of field, soft separation from the background, professional composition. It must look like a real camera shot, not an AI generation.

STRAIGHT OUT OF A MOVIE

PROMPT:

Turn my photo into a cinematic film still. Place me in [SCENE]. Keep my face, head shape, eyes, nose, lips, skin tone, age, hairstyle, beard and defining features unchanged. Do not de-age, do not reshape my face, no plastic skin. Dramatic but realistic lighting, natural shadows, shallow depth of field, expensive cinematic composition and believable color grade. Like a frame from a high-end film.

LUXURY INSTAGRAM SHOOT

PROMPT:

Turn my photo into a premium lifestyle shot for a strong personal brand. Place me in [LOCATION], dress me in [OUTFIT]. Keep my face, head shape, eyes, nose, lips, skin tone, age, hairstyle, beard and defining features unchanged. Do not de-age, do not reshape my face, no plastic skin. Complex natural light, relaxed confident pose, expensive composition, shallow depth of field, natural skin. Magazine-level, no plastic retouch.

4.

TRAVEL SHOT, NO TRIP

PROMPT:

Create a professional travel shot of me in [LOCATION]. Keep my face, head shape, eyes, nose, lips, skin tone, age, hairstyle, beard and defining features unchanged. Do not de-age, do not reshape my face, no plastic skin. Blend me into the scene realistically: light, shadows, weather, perspective, reflections and surroundings must match. Lively travel composition, natural colors. Like a photographer actually shot me there.

MAGAZINE COVER LOOK

PROMPT:

Turn my photo into a premium editorial fashion portrait. Pick [OUTFIT / STYLE], a confident magazine pose, pro studio light, natural skin, carefully worked shadows and expensive composition. Keep my face, head shape, eyes, nose, lips, skin tone, age, hairstyle, beard and defining features unchanged. Do not de-age, do not reshape my face, no plastic skin. Expressive but realistic color grade. Like a shoot for a major magazine.

6.

SAVE AN OLD PHOTO

PROMPT:

Restore this old photo while keeping the real person and features. Remove damage, noise, blur and defects. Rebuild natural skin tone, facial detail, clothing, background and light. Keep my face, head shape, eyes, nose, lips, skin tone, age, hairstyle, beard and defining features unchanged. Do not de-age, do not reshape my face, no plastic skin. Make it look shot today on a modern professional camera.

7.

SWAP THE LOCATION

PROMPT:

Keep me fully recognizable but replace the surroundings with [LOCATION]. Keep my face, head shape, eyes, nose, lips, skin tone, age, hairstyle, beard and defining features unchanged. Do not de-age, do not reshape my face, no plastic skin. Match light direction, shadows, reflections, perspective, atmosphere and how the outfit interacts with the new space. Like a real photo taken right there.

PRO BUSINESS PORTRAIT

PROMPT:

Turn my photo into a professional business portrait for a website, LinkedIn or personal brand. Keep my face, head shape, eyes, nose, lips, skin tone, age, hairstyle, beard and defining features unchanged. Do not de-age, do not reshape my face, no plastic skin. Clean professional lighting, confident but natural pose, natural skin, sharp facial detail, clean separation from the background. No heavy retouch. Like a real business shoot.

9.

GOLDEN HOUR SHOOT

PROMPT:

Turn my photo into a golden hour shoot. Place me in [LOCATION]. Keep my face, head shape, eyes, nose, lips, skin tone, age, hairstyle, beard and defining features unchanged. Do not de-age, do not reshape my face, no plastic skin. Low warm sunlight, soft golden highlights, realistic long shadows, warm tones. Light must match the sun position and scene geometry. A real sunset shot, not a filter.
